

Your Vontobel SFA Online access

This quick guide helps take you step by step through the process of replacing the UBS-SFA Login App with the new Vontobel SFA Login App.

Step 1

Please delete the “UBS-SFA Login” App on your smartphone.

Important: Please ensure that, as of now, you no longer use the UBS-SFA Login App.

Download the Vontobel SFA Login App to your smartphone

Search and download the app “Vontobel SFA Login” from Google Play or Apple App Store.

When opening the Vontobel SFA Login App for the first time allow the app to send you messages and give it access to your camera.

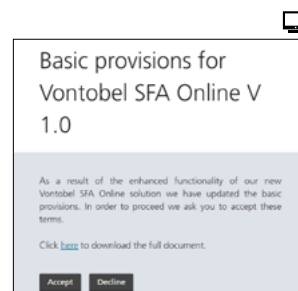

Step 2

Login to Vontobel SFA Online

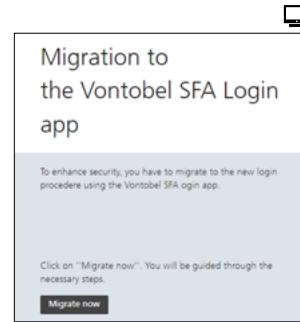

1. Go to the website sfa.vontobel.com and log in as you always do

Alternatively go to the website vontobelsfa.com. At the top right corner you will find “Vontobel SFA Online”. If you press on it, you get directly to the login

2. If you have not already accepted the basic provisions previously, the following screen will be displayed. Please accept them and press “Accept”

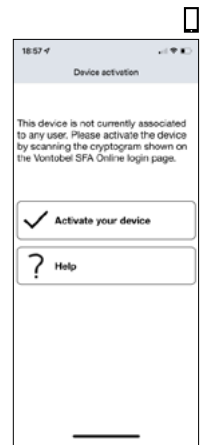

- The following screen will be displayed. Press “Migrate now” to start the process

Step 3 Activate device

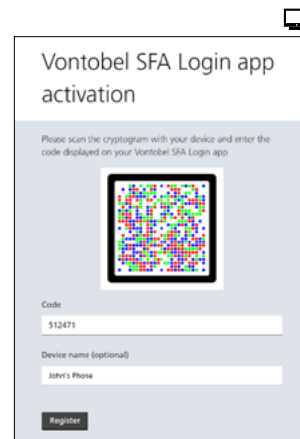

- Launch the Vontobel SFA Login App on your smartphone. Select “Activate your device”

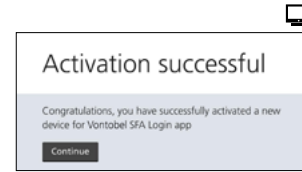

- Using your smartphone, scan the QR code on the screen of your PC. Point the camera of your smartphone in the direction of the QR code and keep it steady. Make sure the QR code covers at least one third of your phone’s screen and is clearly and fully visible
- Enter the 16-digit device code shown on the App into the field “Code” on your PC
- Press “**Proceed to next step**” on your smartphone
- Press “Verify” on your PC

- Another QR code will appear on your PC. Please scan the new QR code
- Enter the 6-digit code shown on your smartphone into the field “Code” on your PC
- If you wish, you can enter a device name. A device name helps you to identify your device
- Press “Register” on your PC
- Press “Done” on your smartphone

11. Press “Continue” on your PC
